

PROPERTY OWNERS

RETRIEVE FROM THIS PACKAGE

## Property Owners' Liability

The ever-present risk of injury, damage and the resultant litigation coupled with growing regulation & legislation, mean that Property Owners, today more than ever, need the protection of adequate Public Liability Insurance.

To make sure you can offer your clients the protection they deserve, **MGAM** is delighted to announce the launch of our new Property Owners Liability policy.

### Key points

- Cover arranged with "A" rated carriers
- Instant quotations via **MGAM's** market leading Quote and Bind platform.
- System generated documents available immediately at point of sale.
- Up to £10,000,000 limit of indemnity

### Target market

The following is not an exhaustive list but, offers a guide to the types of risk suited to **MGAM's** Property Owners Liability policy:

- Pasture land
- Rough country
- Development sites
- Private roads
- Self- build sites
- Occupied buildings
- Unoccupied buildings
- Grazing land
- Moorland
- Woodland

### MGAM – Here's why

- We are a Lloyd's approved coverholder.
- Our technology led solutions put you in control by allowing you to quote, bind and issue documents at the press of a button.
- You have the support of an experienced team of professionals ready to respond to referrals
- All our products are developed in collaboration with our partners and are designed with the end customer in mind.
- We constantly monitor emerging trends and are perfectly positioned to provide pioneering solutions

**It's a fact of life, that accidents happen so it's always best to plan and be prepared.**
